

HONEYWELL USERS GROUP PROVISIONAL CONFERENCE AGENDA 2008

Power to Perform

REGISTRATION AND GOLF DAY	SUNDAY 24 August 2008
6.45am	Golfers assemble in the foyer for departure to Meadow Springs Golf Club <i>Sponsored by Dell Computers</i>
3.30pm	Registration desk opens
6.00pm	<i>Users Group Welcome Reception - Island Suite(Level 2)</i>

DAY 1	MONDAY 25 August 2008			
7.00am	<i>Breakfast - Island Suite (Level 2)</i>			
Venue:	Sirius Ballroom			
8.30am	MC Welcome			
	Chairman's Welcome			
8.40am	Honeywell Welcome			
8.45am	Honeywell Vision			
	Jon Lippin, Honeywell Process Solutions			
9.30am	From Chaos to Control and Panic			
	Brian Kooyman, Tracey Brunstrom & Hammond Group			
10.15am	<i>Morning Refreshments</i>			
10.45am	Implications of an Emissions Scheme on Australian Industry			
	Tim Nelson, AGL Energy			
11.30am	Honeywell Technology Update			
	Jason Urso, Honeywell Process Solutions			
12.15 – 1pm	<i>Lunch – Island Suite (Level 2)</i>			
	Roadmaps	Roadmaps	Roadmaps	Roadmaps
Venue:	King Sound	Admiralty Gulf	Prince Regent	Terrace
1.00pm	TPS Andrew Stuart, Honeywell & Rob Polinelli, Alcoa World Alumina	Increase Engineering Efficiency with PHD and Uniformance Process Studio Sondra Griner, Honeywell & Rob Gilbertson, BHP Billiton Olympic Dam	Simulators Pete Henderson, Honeywell & Terry Snow, Rio Tinto Alcan	Field Instruments / Enraf Peter Rutch, Honeywell
2.00pm	Experion Paul Hodge, Honeywell & Rob Duggan, Worsley Alumina	Business Flex Dan O'Brien, Honeywell & Rob Gilbertson, BHP Billiton Olympic Dam	Improving Process Efficiency with ProfitSuite Don Morrison, Honeywell & Terry Snow, Rio Tinto Alcan	Integrated Safety System Solutions Erik de Groot, Honeywell
3.00pm	<i>Afternoon Refreshments – Demo Room (Orion/Pleiades)</i>			
	Birds of a Feather Session (Customer Networking and Customer Feedback) Or Demo Room			
Venue:	King Sound	Admiralty Gulf	Prince Regent	Terrace
3.30pm	TPS/ Experion Andrew Stuart & Rob Polinelli, Alcoa World Alumina	Uniformance/ Business Flex Sondra Griner, Martin Pot, John McGregor & Dan O'Brien, Honeywell	APC/ Simulators Don Morrison & Pete Henderson, Honeywell & Terry Snow, Rio Tinto Alcan	PlantScape/ Experion Paul Hodge, Honeywell & Rob Duggan, Worsley Alumina
5.00pm	Close of Sessions			
6:30pm	Dinner at Fremantle Prison (Tram departs Esplanade Hotel 6.30pm)			

DAY 2	TUESDAY 26 August 2008																															
7.00am	Breakfast - Island Suite (Level 2)																															
Venue:																																
7.00-8.30am	Simulation Customer Advisory Board Meeting																															
Pete Henderson, Honeywell Process Solutions																																
Venue: Sirius Ballroom																																
8.30am	Conference formalities																															
8.40am	Mega Projects in WA																															
Michael Viljoen, Woodside																																
9.20am	Delivering Superior Performance through Partnership																															
VR Harindran, PETRONAS and Bob Weiss, Honeywell Process Solutions																																
10.00am	Morning Refreshments - Demo Room (Orion/Pleiades)																															
Breakout Session One

DAY 3	WEDNESDAY 27 August 2008
--------------	---------------------------------

7.00am	Breakfast - Island Suite (Level 2)
--------	------------------------------------

Venue:	Sirius Ballroom
--------	-----------------

8.30am	Conference formalities
--------	------------------------

8.40am	Service Oriented Architecture (SOA) What? An Explanation Andrew Duca, Honeywell
--------	---

9.20pm	Industrial Ethernet – Where, When, Why and What’s New Ian Verhappen, MTL
--------	--

10.00am	Morning Tea - Demo Room (Orion/Pleiades)
---------	--

Breakout Session Two			
-----------------------------	--	--	--

	Papers	Papers	Papers
--	---------------	---------------	---------------

Venue:	Prince Regent	King Sound	Admiralty Gulf
--------	---------------	------------	----------------

Moderator:	Terry Snow		Rob Duggan
------------	------------	--	------------

10.30am	RTA Yarwun ProfitSuite Pilot Application – Digester Flow Optimisation (Rio Tinto Alcan) Rudy Tio and Ian Johnston	Security Within Process Control Networks (Honeywell) Michael Kass	Rotating Kiln Temperature Measurement Using Wireless Technology at Worsley Alumina (Honeywell on behalf of Worsley Alumina) Greg Macham
---------	---	---	---

11.15am	Advanced Process Control Management in Woodside Energy Ltd (Woodside) Anthony South	Plant Security: The New Process Variable (Honeywell) Jon Harmon	Searching for Better Level Instrumentation in Alcoa Alumina Refineries (Alcoa World Alumina) Rod Love
---------	---	---	---

Venue:	Island Suite (Level 2)	King Sound
--------	------------------------	------------

12.00 – 1pm	Lunch	Special Interest Session (Lunch Breakout) Open Systems Roundtable Greg Bell, Honeywell
-------------	-------	--

Venue:	Sirius Ballroom
--------	-----------------

1.00pm	Guest Speaker Barbara Etter, Assistant Commissioner, Corruption Prevention and Investigation, WA Police Service
--------	---

2.00pm	Honeywell Summary
--------	-------------------

2.15pm	Chairman’s Summary
--------	--------------------

2.30pm	Close of Conference
--------	---------------------

3.00pm	ACEPT Tour – Coach departs Esplanade Hotel 3.00pm sharp
--------	--

5.30pm	Happy Hour in Demo Room - (Orion/Pleiades)
--------	---

DAY 4	THURSDAY 28 August 2008
--------------	--------------------------------

Venue:	Demo Room - (Orion/Pleiades Ballrom)
--------	--------------------------------------

8.30am – 12:00pm	Demo Room open to all
------------------	-----------------------
