

Honeywell Automation College Phoenix Training Center Relocation

The Automation College's current Phoenix training facility located on Union Hills Drive is moving to a new location, approximately 2 miles north (19th Avenue and Deer Valley Road).

The new address is:
Honeywell Automation College
21111 N. 19th Avenue
Phoenix, AZ 85027

Due to the relocation, Phoenix Automation College will not be available for training from mid-November to year end. Other training facilities - Calgary, Houston, Duluth, and Cincinnati - will not be affected.

Customers, who have Training Match and plan to train in Phoenix, be sure to use your Training Match funds before December to ensure use before your contract expires.
