Return on Imagination

June 14-18, 2009 at the JW Desert Ridge Marriott Resort & Spa

SUNDAY, JUNE 14

12 NOON – 6:00 PM	Speaker Ready Room Available for Presenter Rehearsals Grand Canyon 5
12 NOON – 7:00 PM	Conference Registration Ballroom Foyer
6:30–9:30 PM	FUN IN THE SUN NEWPORT BEACH STYLE WELCOME RECEPTION (Customers and Companions Invited) Poolside

MONDAY, JUNE 15

6:30 – 8:00 AM	BREAKFAST FOR REGISTERED CONFERENCE ATTENDEES AND HOTEL GUESTS Grand Canyon 6-7			
7:00 AM – 6:00 PM	Conference Registration, Information and Message Center Ballroom Foyer			
8:00 AM	GENERAL SESSION Grand Sonoran Ballroom			
8:00 AM	Opening Remarks and Symposium Overview	David Wade, Chairman, Users Group Americas, Luminant Power		
8:10 AM	Welcome and One Honeywell Story	Frank Whitsura, VPGM Americas, Honeywell		
8:30 AM	User Input Subcommittee Update	Tom Kindervater, Marathon Petroleum Company, UIS Co-Chairperson		
8:45 AM	Overview Customer Advisory Boards	Mike Carley, Nova Chemicals, Advisory Board Chairman		
8:55-9:25 AM	Break & Networking sponsored by Flowserve			
9:25 AM	Industry Perspective and What the Future Holds	Norm Gilsdorf, President, Honeywell Process Solutions		
9:55 AM	Honeywell Technology Update	Jason Urso, VP Technology, Honeywell		
10:55 AM	Exhibit Overview and Symposium Announcements	Mara Weber, Users Group Americas Director, Honeywell		
11:00 – 12:15 PM	LUNCH FOR REGISTERED CONFERENCE ATTENDEES SPONSORED BY MICROSOFT Grand Canyon 6-7			
12:00 - 7:00 PM	DEMO CENTER OPEN Grand Canyon 8			
12:15 – 1:00 PM	HONEYWELL SOLUTION SESSIONS (8) Run in Parallel			
	Profit Suite – How New APC Solutions Provide Attractive Returns Don Morrison, Honeywell Pinnacle Peak 1	Experion Roadmap Paul Hodge and Joe Bastone, Honeywell Grand Canyon 1-2	UIS Enhancements for Experion PKS and TPS Andrew Kowalczyk and Paul Griem, Honeywell Grand Canyon 12-13	Documentation Management Strategy for Knowledge Management in Recessionary Times Sujeet Karna, Honeywell Wildflower Salon A
	Integrated Safety System Solutions Erik de Groot, Honeywell Wildflower Salon B	Increasing Agility with Uniformance Process Studio and PHD Release 300 Sondra Griner, Honeywell Wildflower Salon C	Solutions for Life Sciences Carey Clements, Honeywell Pinnacle Peak 2	Managing Smart Devices John Yingst, Honeywell Pinnacle Peak 3
