

Power to Perform

Honeywell

24-27 AUGUST • FREMANTLE • WESTERN AUSTRALIA
THE ESPLANADE HOTEL

**Honeywell Users Group
Australia & New Zealand
Symposium 2008**

Command Your World.

You perform heroically every day, defending quality, productivity and continuous improvement. Join other Everyday Heroes and experience the extraordinary Power to Perform at the Honeywell Users Group Symposium, 24-27 August 2008.

Leverage Expertise from a Single Conference.

Gain a stronghold on knowledge as you interact with peers and Honeywell experts. At Users Group, you can harness your capabilities:

- Share best practices and learn how your peers tackle day-to-day challenges and implement strategies to enhance business results
- Get a glimpse at Honeywell's technology roadmap
- Experience the latest technology through hands-on demonstrations and real-world, dynamic simulations
- Discover optimisation and support services that will improve performance and provide quantifiable results.

Power to Perform.

Honeywell Users Group Australia & New Zealand Symposium 2008
