

Serving the Gas Industry Globally through RMG by Honeywell

14th July, 2011 10.45 AM – 2.00 PM
Altens Thistle Aberdeen
Souterhead Road
Aberdeen, AB12 3LF

Meeting Agenda

Time

Topic

10.45AM - 11:15AM

Welcome/Coffee served
RMG by Honeywell – single sourced solutions and products

11:15AM - 12:00AM

Gas Metering Overview

- Ultra Sonic Meter
- Turbine Meters
- Flow Computers and Compact volume correctors
- Gas Quality measurements PGC 9000

12:00PM - 1:00PM

Lunch and networking

1:00PM - 1:45PM

The RMG Ultra Sonic Meters, leading edge technology
for enhanced business value

- 6 path technology
- Approvals
- CBM for Ultra Sonic Meter
- Measurement of the flow profile
- Standardized meter body size
- Highest capacity
- Full open inner diameter
- Lowest spool piece requirement
- Transducer design

1:45PM - 2:15PM

Honeywell DCS
embedded flow computation solution - METERSUITE
